About This Site
Facility Executive is your one-stop source for information on quality operation, design and maintenance of facilities. Facility Executive offers a shared community of facility management experts who explore and analyze issues that affect your facility and its environment. Facility Executive is a specialized trade publication written and edited for corporate facility executives in all industry and service sectors whose responsibilities include purchasing, planning and approving products, services and materials for facility operations.

This Web site is brought to you by Group C Media, Inc., publishers of Business Facilities and Facility Executive, and producers of Business Facilities LiveExchange and Real Street Tech | The Smart Place For CRE.

Editorial and Advertising Offices
